**RE: SB 1021 (Padilla) – REQUEST FOR SIGNATURE**

Dear Governor Schwarzenegger,

StopWaste.Org, the Alameda County Waste Management Authority, supports SB 1021 (Padilla), which will provide grants to local governments for beverage container recycling receptacles in multifamily housing.

Increasing recycling rates in multifamily housing has proven challenging and grants for this purpose from the beverage container recycling fund would help improve those rates. These grants would help build upon the efforts made by our Agency and local governments around the state in improving recycling rates in multi-family housing.

We urge you to sign AB 1021 into law.

Sincerely,

Karen Smith  
Executive Director
